[A “Best of Houzz 2016” badge was added to the company’s profile](#), as a sign of Stockell’s commitment to service excellence and performance. This badge helps homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“Our team is honored by this award from Houzz,” said Don Stockell, owner of the veteran St. Louis custom home building and remodeling contractor. “Customer service and satisfaction are our highest priorities, so we’re grateful to be recognized in these very areas.”

Positive customer reviews include:

- “Stockell Homes completed a major kitchen remodeling for our home in St. Albans. First class workmanship with excellent subs and suppliers. Stayed on budget and on schedule...This is our second major job with Stockell Homes and they continue to impress us with their work and attention to detail.”
- “We have had a basement finished, bathrooms remodeled, ... and a garage addition by Stockell General Contracting. They were very professional, very high quality work, finished before they estimated they would be done and very good at communication. They clean up daily, which doesn't seem important but it really is. I felt Stockell Homes had very fair prices. Don and his team take pride in their work.”
